Media Release

This form takes effect only when it is signed and dated. Printing it, filling it in, or bringing it with you does not by itself agree to anything. Nothing on this page is in force until your signature is on it.

Maureen's Massage · Maureen Leonie Reid, LMT · version 0.1.0 · effective 2026-09-09

Entirely optional. You do not need to sign this to book or be seen.

If this form is more than a few months old, check the website for a current copy — the version and date above tell you which one you have.

Who this release is with

This release is between you and Maureen's Massage (Maureen Leonie Reid, LMT MA78217). It is separate from your intake and consent form (D6), from any marketing release (D8), and from any records authorization (D7). Signing one does not sign the others.

What you are allowing, and how you can stop it

Florida law says no one may publish or commercially use your name, portrait, photograph, or other likeness without your express written or oral consent. This is that consent, and it only covers what is checked below.

Purpose and scope: if checked, you allow Maureen's Massage to photograph or video you and to use that photo or video — on the website, in print materials, or on social media — for the specific purpose(s) checked:

☐ Before/after or technique photos of a treated area (never the face, unless separately checked below) ☐ A portrait or headshot showing your face ☐ Video of a session or a portion of a session

Editing: any photo or video used may be cropped or color-corrected for presentation, but will not be edited in a way that misrepresents what happened or puts words in your mouth that you did not say.

No payment: you are not paid, and this is not exchanged for any discount, gift, or other consideration. Declining, or checking none of the boxes, changes nothing about your care, your booking, or your price.

Revocation: you may withdraw this consent at any time, for any reason, by telling me in writing at hello@maureensmassage.com or 3589 E Gulf to Lake Hwy, Inverness, FL 34453. Withdrawal stops new use going forward. It does not automatically remove something already published before you withdrew, but I will take down anything you ask me to take down within a reasonable time.
